SUMMARY OF THE REASONS FOR DECISION:

The computer printout entitled *_D%2304-.jpg* is classified as:
Objectionable.

The computer printout presents eight images of boys aged in their mid teens engaging in sexual activity. The images are also accompanied by text indicating that this is an advertisement for other such material.

The publication has been considered under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993 and is found to promote and support the exploitation of young persons for sexual purposes. The publication is therefore deemed to be objectionable.

The classification of this publication interferes with the freedom of expression as outlined under s14 of the New Zealand Bill of Rights Act 1990, but this is an outcome consistent with Parliament's intention that publications falling under s3(2) are deemed to be objectionable. The classification is also a reasonable limitation on the freedom of expression that reflects the concern of "a free and democratic society" to limit the availability of publications that promote and support the exploitation of young persons for sexual purposes.
